

Forecast For Wales
Issued by Met Office Exeter
at 1600 on Monday 19 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Remaining dry and sunny Monday evening. Warm and muggy overnight.

This Evening and Tonight:

A fine summer's evening with clear skies continuing into the night, with light winds throughout. Some low cloud or fog is likely along Irish Sea coasts. Another quite warm and muggy night for most. Minimum temperature 13 deg C (55 deg F).

Tuesday:

Another fine, dry day, with plenty of sunshine and some fair-weather cloud. The odd very isolated heavy shower may develop through the afternoon. Feeling hot for many. Maximum temperature 31 deg C (88 deg F).

Outlook for Wednesday to Friday:

Very warm to hot throughout this period, with plenty of sunshine. However, a risk of showers, some heavy, developing each afternoon. Turning cloudier on Friday with thundery rain arriving later.
